PESACH LIST 5784

(See our expanded and updated wine list)

K'hal Adath Jeshurun is pleased to inform the kosher consumer that a full range of Pesach products is available under the supervision of our Rabbinate, including matzo and groceries.

The Rabbinate expends significant efforts to assure the Kashrus of products produced under our supervision and the manufacturers expend additional funds to comply with our Kashrus requirements. We therefore urge our members and friends to patronize manufacturers under our supervision.

We are confident that our members and friends will understand the importance of supporting the Kashrus efforts of our Kehilla.

Before purchasing products for Pesach, be sure to check label for “P” or any other indication that the product is Kosher for Pesach.
